WHY HAIR FALLS OUT

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out. To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of Danderin at any store for a few cents, pour a little in your hand and rub well into the scalp. After a few applications all dandruff disappears and the hair stops coming out.

A Child Doesn't Laugh and Play If Constipated

Look, Mother! Is tongue coated, breath feverish and stomach sour?

"California Syrup of Figs" can't harm tender stomach, liver, bowels.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign the little stomach, liver and bowels need a cleansing at once. When listless, pale, feverish, full of cold, throat sore, doesn't eat, sleep or act naturally, has stomachache, diarrhoea, remember a gentle liver and bowel cleansing should always be the first treatment given. Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system and you have a well and playful child again. All children love this harmless, delicious "Fruit Laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages, and grown-ups are plainly on the bottle. Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company."

SORE THROAT

Colds, Coughs, Croup and Catarrh Relieved in Two Minutes.

Is your throat sore?

Breathe Hyomel.

Have you a cough?

Breathe Hyomel.

Have you a cold?

Breathe Hyomel.

Hyomel is the one treatment for all nose, throat, and lung troubles. It does not contain any cocaine or morphine and all that is necessary is to breathe it through the little pocket inhaler that comes with each outfit.

A complete outfit costs but little at druggists everywhere, and at O'Donnell's, Drug Stores, and Hyomel is guaranteed to banish catarrh, croup, coughs, colds, sore throat and bronchitis or money back. A Hyomel inhaler lasts a lifetime and extra bottles of Hyomel can be obtained from druggists.

Get the Habit of Drinking Hot Water Before Breakfast

Says we can't look or feel right with the system full of poisons.

Millions of folks bathe internally with drugs. "What's an inside bath?" you say? Well, it is guaranteed to perform miracles, if you could believe these hot water enthusiasts.

There are vast numbers of men and women, who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infest the bowels.

The quick real is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.
